The undersigned being first duly sworn under oath, states as follows:

1. My name is [101]. My date of birth is [], 1941. I was a resident of the St. Vincent's Orphanage beginning approximately November of 1951 through 1955.

2. While at St. Vincent's Orphanage between the years of 1952 and 1955, Father James Janssen would take the boys to the St. Ambrose swimming pool to swim. None of us could swim very well, so Father Janssen would have us work our way around the shallow end of the pool to the deep end of the pool by hanging on to the sides of the pool. When we were in the deep end, Father Janssen would swim up to us and put one of his hands onto the side of the pool and put his other hand down inside the front of our swimming suits. He would then fondle our genitals with his hand. We were under the age of 14 at the time. There was nowhere to go since we couldn't swim. None of us felt that it would do any good to complain.

3. I am not interested in any settlement from the Diocese of Davenport, but believe the information that I have should be brought forth to correct the wrong that was done.

4. I am a private consultant for issues relating to the U.S. Department of []. I was employed by the U.S. Department of [] []. I am a practicing Catholic and was previously an ordained
