**DETECTIVE DEMONSTRATES** — Detective Charles Chilakos of the Millville Police Department, extreme right, was on hand yesterday when the safety patrol boys and girls met in Senior School for their monthly meeting. Detective Chilakos demonstrated the use of the lie detector. He is shown here with the patrol advisor and students who received the Golden Badge Award for outstanding service. Shown, left to right, are Steven Levick, Western School; Edgar Reeves, Bacon School; Cindy Hider, Wood School; Dory Cooper, Mt. Pleasant School; Anthony

Tomasello, Culver School; Gary Hayes, St. Mary's School and A. P. Noon, advisor from the Millville Police Department. The patrol discussed the sale of tickets for the Benefit Basketball Game they will sponsor in the Millville Senior High School Gym on March 9. Three games will be played including a feature game between Millville All-Stars and the Egg Harbor Giants. Proceeds from the game help defray expenses for the annual Safety Patrol trip to Washington and tickets may be purchased from members of the patrol. (Photo by Ralph)
