Rev. Kevin J. Deeley,
Associate Director - Clergy Personnel,
1 Lake Street,
Brighton, Massachusetts 02135.

Reverend dear Father Deeley:

I would like for the Personnel Board kindly to consider me for the position of Pastor of Our Lady of Grace Parish, Chelsea - Everett.

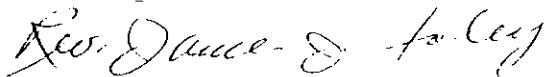

It has been fifteen years since I was ordained, and I think that I have a fair amount of experience necessary to be pastor. I've served in three parishes, they are: St. Ann in Neponset, Holy Name in Roslindale-West Roxbury and St. Frances Xavier Cabrini in Scituate. Two of those parishes, St. Ann and Holy Name had large parochial schools in which I taught and for which I raised money. My experience also includes a sabbatical at the American College in Louvain, Belgium; and for the last eight months I have been an assistant chaplain here at St. Elizabeth Medical Center. At the request of the Personnel Office I administered two parishes, they are: St. John in East Bridgewater and St. Joseph in Everett.

Our Lady of Grace Parish is also of interest to me because I grew up in Everett and am familiar with the area.

Thank you very much for your time and consideration.

Prayers!

Sincerely in Christ,

Rev. James J. Foley,
Assistant Chaplain.
