Dear Father Foley:

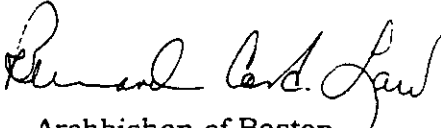

In response to the recommendation of Reverend Charles J. Higgins, Delegate, and according to the policy of the Archdiocese, I am ending your lend-lease assignment effective October 1, 1999.

As you return to the Archdiocese of Boston, Father Higgins and those who assist him, will work with you to come to a resolution as how best to address the concerns raised by the allegation.

I realize that this is a difficult time and encourage you to use this opportunity to address those issues that need attention. If I can be of help to you in some way, please let me know. Be assured you are remembered in my prayers.

With warmest personal regards, I am,

Sincerely yours in Christ,

Archbishop of Boston

FOLEY, JAMES J.-2 327
