Dear Mr. Staley,

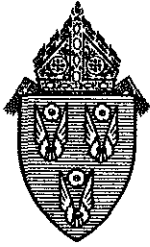

Enclosed are the two signed contracts I too look forward to being a member of the Chamnade family. As I have mentioned before, I was very impressed by your beautiful school and its friendly staff. I am deeply grateful to you for the generous amount of time you gave me when I visited. Your warm welcome and patience with a novice job seeker was truly Christ-like. All this makes me confident that my stay at Chamnade will be happy and productive.

God willing I hope to be in California by the last week of August.

Continue to have a good school year. Be assured of a remembrance in my prayers.

Sincerely in Jesus and Mary,  
Father P. Di Peri

P.S. I have written to Cardinal Manning as you directed.

Dear Father DiPari:

Please accept my appreciation for your letter of May 25.

His Eminence, Cardinal Manning, is pleased to approve your appointment to Chaminade Preparatory School, Canoga Park, with residence at the school, effective August 29, 1977.

The faculties of the Archdiocese are granted to you until October 31, 1977, at which time application for renewal will be necessary. Would you kindly fill out the enclosed Personal Record Sheet for our Chancery Office files and return same to me at your earliest convenience.

Your attention is drawn to the Motu Proprio, "Ecclesiae Sanctae", of His Holiness, Pope Paul VI, August 6, 1966, #1,3-5. It is the mind of His Eminence, the Most Reverend Ordinary of Los Angeles, that he is not accepting the role of a benevolent bishop and that you will remain incardinated in the diocese of Newark. In this jurisdiction, your ministerial faculties expire annually on October 31. A petition in writing must be submitted each year for their renewal.

Sincerely yours in Christ,

  
Reverend Monsignor John A. Rowden  
Chancellor

Summit, New Jersey 07901

Dear Father DiPeri:

Chaminade College Preparatory would be interested in pursuing with you the possibility for employment next year. We would like to have you consider one of two possibilities:

One would be living in our Resident facility for boys as Chaplain with some supervisory responsibilities plus a part-time teaching responsibility in Latin and Spanish. The other alternative would be a full-time Latin and Spanish responsibility, plus being dorm Chaplain with some supervisory responsibilities.

The first possibility would provide you with a full-time salary plus board and room. The second would provide you with an additional \$2,200.

Our religious are paid on the same salary scale with our lay teachers with the amount that a layman would pay in Federal and State income taxes withheld as a contribution back to Chaminade. We also provide our religious with the same fringe benefits which include medical, disability, and after three years of service, retirement benefits.

If you are interested in pursuing this possibility, we would like to work out some sort of an arrangement for an interview. I would hope that you would be able to come to California for such a meeting. If this isn't possible, maybe we can make some other arrangements that would provide for an interview more locally to you.

MAR-DIPI 000007

I am enclosing our present salary scale. (Next year's scale has not yet been adopted by our Board of Directors.) I have circled where you would begin on this scale. The new scale will, I am sure, be higher than shown on this scale. (Plus \$2,200.00 if you accepted a full-time teaching position, and the dorm supervision.)

I am enclosing a copy of our Handbook to give you some idea of the kind of school Chaminade is.

I hope to hear from you soon. I am,

Sincerely,

Dear Father DiPeri:

Three copies of our contract are enclosed. Would you please initial at the same places I have and sign on the line marked Teacher. Please return two copies of the contract to us, keeping one for yourself.

We are most pleased that you have decided to accept the Chaminade offer, and hope that it will meet the approval of the diocesan authorities.

We had indicated previously that we would pay 50% of your expenses in coming out for your interview, and if you could tally that amount and send us that at the time you return your contracts, a check will be forwarded to you.

We are most hopeful that you will be a member of the Chaminade family next year.

Dear Mr. Staley:

Thank you for your letter dated April 6, 1977 and the information and handbook. After carefully reading your handbook, I am happy to say that we are philosophically compatible.

I am very interested in the full time teaching position in Latin and Spanish as well as being dorm Chaplain with some supervisory responsibilities. I have had at least two years experience with boarding students.

My main question is one of salary. I am not sure if I understood your letter correctly. If the equivalent of Federal and State income taxes are to be a contribution to Chaminade, will I then also have to pay taxes on the salary as well?

While it is neither very convenient, nor an expense that I can easily endure, I am willing to come to California for an interview, if there is a strong possibility of obtaining the position.

I have been in my present assignment for the past ten years and I have been and still am very happy. My headmaster would probably contemplate suicide or murder if he knew I was going to leave. However, I don't want to have to endure another cold, damp New Jersey winter.

I hope to hear from you soon.

Sincerely,

On September 10, 2002, Officers Makarenico and Carlozzi of the Los Angeles Police Department, Juvenile Division. They informed me that they have received a child molestation complaint regarding Joseph DiPeri, an employee of Chaminade for the 1977/1978 academic year. They could not reveal the victim's name. They did disclose that the student attended school on the Chatsworth campus and lived at the dorms on the West Hills site. The parents informed the police that at the time, they met with the school president regarding the situation and that the Dean of Students had also been informed.

The police officers requested any information we had as to who (and how to reach) the President and Dean of Students for the Chatsworth location were during that school year. The police officers did affirm that there was no mandatory reporting requirement at the time of the alleged incident.

Re: Rev. Joseph Di Piri  
Chaminade, West Hills, CA

Phone conversation with Fr. Robert Emery, Vicar General of the  
Archdiocese of Newark, New Jersey

973.497.4002

Father DiPiri is 76.

In November 2003 the allegation was brought to the Archdiocese's attention through a police report in California. The previous Vicar General, Saratelli, (now Bishop of Patterson, NJ) dealt with the situation. His faculties were permanently removed and he voluntarily removed himself from any public functioning as a priest.
