Reverend Edward F. Donelan
Holy Trinity Church
Arroyo Seco, New Mexico

Dear Father Donelan:

I am pleased to appoint you herewith as Chaplain of the New Mexico Boys' School in Springer. Please report there for duty on Tuesday, July 1st.

You will find Mr. Gardner, Superintendent of the Institution, very cooperative, as he has been anxious to have a Priest on the Faculty. With your interest in boys, I am sure that you will be very successful in this work and that you will spare no effort to train them to be worthy children of God and good citizens of our country.

Blessing your activities at the Boys' School and with all good wishes, I am,

Faithfully yours in Christ,

Most Reverend Edwin V. Byrne,
Archbishop of Santa Fe.
