Public Disclosure List

(Updated February 1, 2023)

The Diocese of Erie wishes to acknowledge all survivors of abuse who have come forward, to encourage any others to come forward who have not already done so, and to reaffirm the commitment of the Diocese of Erie to offer support and assistance to those survivors of abuse.

All reports of abuse made to the Diocese of Erie are submitted in a timely fashion to both law enforcement and to the independent investigators retained by the Diocese of Erie and result in some form of investigative response. Each report of abuse is considered and investigated on a case-by-case basis.

The following is a list of individuals who, in the judgment of the Diocese of Erie, were credibly accused of actions that disqualify and prohibit them from working or volunteering with children or youth in any Diocese of Erie parish, school, agency, institution or any other Catholic entity located within the Diocese of Erie.

This list is not limited to individuals who sexually abused children. Instead, there are numerous reasons why a name might appear on this list. Among these are credibly corroborated actions that include, but are not limited to, the following: the possession/use of child pornography, furnishing pornography to minors, corruption of minors, violation of a child-protection policy, failing to prevent abuse that they knew to be happening, and — in some cases — direct physical sexual abuse or sexual assault of minors, as well as other types of abuse such as physical abuse and mental abuse.

Allegations were corroborated and determined to be credible by at least one of the following: (1) secular legal proceedings, (2) canon law proceedings, (3) self-admission by the individual, or (4) threshold evidence as defined in the Diocese of Erie's *Policy for the Protection of Children*.

The Diocese of Erie takes all reports and allegations of abuse seriously. The Diocese of Erie is grateful for those who have come forward and welcomes any additional information that may shed light on any past or present cases of

abuse.

The Diocese of Erie will update the list in the future as necessary based on any new information or investigations.

III. THOSE WHOSE ALLEGATIONS ARE UNDER INVESTIGATION:

The Diocese of Erie will list an individual as Under Investigation to (1) provide notice to the public regarding ongoing investigations to prevent potential further harm to children or youth while a report is being investigated, and (2) determine if additional victims or witnesses exist who can help resolve the investigation.

An individual will be listed as Under Investigation if (1) a report of abuse is made against that individual, and (2) an initial investigation corroborates the basic facts of the report, provided that no court order, request from law enforcement, or some other extenuating circumstance stands in the way.

Individuals on this list are currently under investigation, and each is presumed innocent until shown otherwise:

- Sr. M. Stella Ochs, OSB — deceased, October 1988
- Fr. William A. Rice — retired, Fryburg, Pennsylvania
- Msgr. L. Thomas Snyderwine — retired, Erie, Pennsylvania

The Diocese of Erie seeks to resolve all investigations of individuals listed as Under Investigation in the most expedient manner possible in either of two ways. First, if, after a full and complete investigation, the report is corroborated and determined to be credible for purposes of this list, then the individual will be removed from the Under Investigation category and moved to the applicable Credibly Accused category above. Second, if, after a full and complete investigation, the report is unable to be corroborated, then the individual is removed from the list entirely.
