## Assignment Record-Rev. Donald Bolton, C.SS.R.

Summary of Case: Donald Bolton was ordained for the Redemptorist Order's Baltimore Province in 1952. He worked in Brazil for many years, returning to the U.S. in 1970 to a Redemptorist retreat house in Canaidagua NY. From 1974-84 Bolton was assigned to St. Gregory's in North East PA. It was there that the parents of a 7-year-old girl reported to the Redemptorists that Bolton had molested their daughter over a two-year period. He was transferred to a Brooklyn NY parish. When the parents of the little girl discovered he was teaching school in NY, they went to law enforcement. Bolton was charged in November 1986 with indecent assault and corruption of minors. He pleaded guilty and was sentenced in February 1987 to three years' probation. He spent those three years at a Hampton VA retreat house. In 1990 he moved to a New Smyrna Beach FL Redemptorist residence, and to another in Saratoga Springs NY in 2003. He died October 27, 2006.

Ordained: 1952

**Died:** October 27, 2006

**Priests in a Parish**: We use the following convention to show a priest's place among the clergy of a parish: 1/2 means that he is the first priest listed in the *Official Catholic Directory* (usually the pastor) and that there is a total of two priests at the parish. The shorthand 3/4 means that the priest is listed third on a four-priest roster. See our <u>sample page from the *Directory*</u>.

**Sources**: Official Catholic Directory (Kenedy & Sons, 1953-2011)

- Deaths, SCALA Redemptorist Newsletter, November 16, 2006

**Note**: The *Official Catholic Directory* aims to report the whereabouts of Catholic priests in the United States on January 1 of the *Directory*'s publication year. Our working assumption is that a priest listed in the *Directory* for a given year was at the same assignment for part of the previous year as well. However, Kenedy and Sons will sometimes accept updates well into the year of publication. Diocesan clergy records are rarely available to correct this information. The *Directory* is also sometimes misleading or wrong. We have tried to create an accurate assignment record, given the source materials and their limitations. Assignment records are a work in progress and we are always improving the records that we post. Please <u>email us</u> with new information and corrections.

This assignment record collates Bolton's career history as it is represented in the *Official Catholic Directory* with the allegations against him, as reported in the media. We make no representation regarding the truth of the allegations we report, and we remind our readers that the U.S. legal system presumes that a person accused of or charged with a crime is innocent until proven guilty. Similarly, individuals who may be defendants in civil actions are presumed not to be liable for such claims unless a plaintiff proves otherwise. Admissions of guilt or liability are not typically a part of civil or private settlements. For more information, see our posting policy.
