The official hymn of the University was the winning entry in a national contest held in 1961, the 350th anniversary of the University. Its lyrics were penned by José Maria Hernandez, while the music was by the first Director of the Conservatory of Music, Dean Julio Esteban Anguita, and orchestrated by Fr. Manuel P. Maramba, OSB. As the embodiment of the University spirit, it is played with the intention to bolster morale and present the pride and unity of all Thomasians.

And in these uncertain times, we offer our music to the brave frontliners, the Thomasian community and to our beloved mentor, Fr. Manuel P. Maramba, OSB, we call to this prayer and hymn.
