Bob Kloster and my brother, Joe Cox worked the Summer of 1969 at (then named) Foley's Inn, Inlet, NY. Two college kids of many making money working up North. July 20,1969 my parents and I celebrated my 16th birthday there with so many other Foley's guests, watching the moon landing on a 12" black and white TV in the bar. That's how I met Bob Kloster. What an affable gregarious hard working and fun guy. In later years, as a priest, he officiated my father's funeral Mass.He was a great comfort to my Mom and our family. Later, Health Friends was born & I talked often with him as I'd become a caseworker for Oneida County. What an incredible gift he created for the community.... securing medications for those who couldn't afford them. Over the next decades, different paths,different locations, I'd be so happy to catch up just a bit with him from time to time when we'd run into each other . I am sad to learn of his passing. A multi-dimensional compassionate spiritual loving human being. Thank you & Peace be with you, Bob. Nancy Cox Marafioti

Such a shock! Joannie and I were blessed to meet Bob for lunch just two months ago. May he be in peace and reunited with Jack, Kathy, family and friends. Pictures from our past "Christmas Tree Brunches" in January in Old Forge.

Like Janet Viscosi Bob and I went all through Lourdes and UCA. He sent me a Christmas card saying he would like to get together for lunch. It didn't happen and I am speechless. Sharon

Bob was a grade and high school classmate and lifelong friend. My husband and I shared many good times with him at his home in the Adirondacks. His work with Health Friends will be remembered by many of those he helped over the years. Janet and Frank Viscosi

Father Bob was more than our priest at Blessed Sacrament. He was a close family friend who was always there in a time of need. May he rest in peace.??????
